

**Votes by Bishops on D025, Rowe Amendment and C056 at General Convention 2009 -- All Bishops**  
**Also includes currently identified signatories to the "Anaheim Statement" (current as of July 17, 2009)**

**UNOFFICIAL**

*This is based on several rough online roll call tallies, and also a vote by vote review of two audio files (see notes below). It is believed to be mostly accurate. Several hard to hear votes have been confirmed through contacts with bishops, however THERE MAY BE ERRORS. Corrections welcome.*

**Notes and Sources:**

**D025** is the vote that at least unofficially overturns B033 from 2006, thus removing restraint on further ordinations of non-celibate homosexual bishops  
The **Rowe amendment** was the motion to discharge D056  
**C056** is the resolution which mandates collection and development of liturgies for SSBs  
The **Anaheim Statement** was a statement of reaffirmation of commitment to the Anglican Communion and the moratoria. But some bishops who voted with the majority FOR D025 and/or C056 signed it, so it is hard to call it a statement of "dissent"

Diocesan Bishops who were absent and vacant sees are listed to ensure that each diocese is listed, even if there was no voting bishop  
A blank cell means the bishop was not named in the roll call.

"Inaudible" means it was impossible to hear a vote during the roll call - in some cases it may indicate a bishop did not vote at all  
Note: There are two bishops with double jurisdictions Gulick (Kentucky, Fort Worth), Rivera (Olympia, Eastern Oregon). Their votes are listed for both dioceses, but only counted once
